PROFESSIONAL PROFILE

Detail-oriented Administrative Operations Professional with over nine years of experience in records management, office documentation, inventory coordination, data entry, and client support. Skilled in handling high-volume transactions with accuracy, coordinating between departments, and maintaining audit-ready documentation. Proficient in SAP Business One and MS Office Suite, with a strong background in documentation accuracy and process improvement. Recognized for excellent communication, problem-solving, and the ability to perform effectively in both front-line service and back-end administrative roles.

KEY CAPABILITIES

Records Management — Organized filing systems, audit-ready documentation, accurate record keeping across departments.

Office Documentation — Preparing reports, picklists, transfer lists, and maintaining complete and compliant office paperwork.

Data Entry & Encoding — Accurate encoding of transactions, inventory data, and office records into SAP and Microsoft Office systems.

Client & Internal Support — Handling inquiries, facilitating requests, and coordinating seamlessly between departments and stakeholders.

Inventory Management — Stock card updates, reconciliation reports, and month-end inventory summaries with full accuracy.

SAP & MS Office — Proficient in SAP Business One, Excel, Word, and other productivity tools essential for office operations.

PROFESSIONAL EXPERIENCE

Supply Clerk — Quezon City | 2026–Present

- Manage all incoming and outgoing goods while ensuring complete and accurate documentation for every transaction
- Issue supplies to multiple divisions and receive/verify deliveries against orders
- Reconcile inventory variances to keep stock records precise
- Maintain audit-ready logs and coordinate closely with other divisions to ensure uninterrupted supply flow

CLIENT SERVICE CONSULTANT — Quezon City | 2024–2025

- Managed and documented over 30 client inquiries daily via phone and email, ensuring accurate data recording and timely issue resolution
- Maintained audit-ready communication logs and coordinated with technical and billing teams for follow-ups
- Prepared reports and promoted additional services based on client needs

MEDIA TIMECODE COORDINATOR — Charlton Media Group | Freelance — Remote

- Accurately code time stamps for raw video footage to support post-production editing
- Produced on-screen titles and captions from raw video files
- Prepared accurate, engaging headlines aligned with video content and project requirements

OFFICE & INVENTORY CLERK — Bonpack Corporation | Cainta, Rizal | 2023

- Encoded all delivered raw materials and updated stock cards to maintain precise inventory records
- Verified material details against job orders before release
- Prepared monthly inventory summaries and conducted reconciliation
- Maintained organized filing for material issuance and transfer lists
